

Testimonials

"The Family Trust are always keen to work alongside others who are involved with children and youth work. Over a number of years we have seen the work of Habitation grow and develop. Some of their workers have attended our training sessions and we have found them to be enthusiastic and willing to learn."

Richard Blackaby, Team Leader, The Family Trust

"The volunteers from the Habitation charity have assisted us in many areas of schools work. They have led assemblies, small group classes and interactive workshops. I have always enjoyed working with them and they have consistently proven themselves to be excellent at what they do"
